ORILLIA, ONTARIO, CANADA, December 30, 2022 /EINPresswire.com/ -- The perfect cup of tea – [National Nutrition](#) dot CA has just announced its most recent partnership with Stash Tea. National Nutrition is Canada's leading vitamin and supplement shop. Stash Tea is a Portland Oregon-based tea company.

## An Opportuni-TEA to Excite the Senses

Stash Tea was founded in Portland Oregon in the 1970s by two hippies. Since then, they have expanded from their original Lemon Ginger and Chai Spice flavours to offer a wide range of tea flavours for every tea drinker.

Stash Tea is committed to creating teas that are free from GMOs, for a healthy tea that is good for consumers and the planet. In 2017, Stash Tea joined the worldwide network of B Corporations, committing to use their business as a force for good. B Corporations value the triple bottom line: people, planet and profit. Consumers will love that every element in Stash Tea bags is non-GMO and compostable—from the bag to the tag.

## All Flavours of Stash Tea Now Available at National Nutrition

National Nutrition customers will now have a wide range of flavours to choose from. This collaboration will see all Stash Tea now available at National Nutrition, including some popular favourites like Premium Green, Blueberry Superfruit, Orange Spice, Breakfast in Paris and Double Bergamot Earl Grey.
