

# Kingdom Hunter Grand Re-Opening & Pre-registration Rewards

*RedFox Games brings new beginnings for Kingdom Hunter players with a New Server!*

SAN JOSE, CALIFORNIA, USA, January 1, 2023 /EINPresswire.com/ -- RedFox Games is thrilled to announce that Kingdom Hunter will be opening a new server on January 4, 2022, allowing players to experience the rich game experience Kingdom Hunter offers in a stable environment!

Along with the fresh start, RedFox Games will also be distributing the Pre-registration Rewards with a coupon code, which had been previously postponed. RedFox Games had planned to give out Pre-registration rewards right after the game launch, but it was delayed due to various unexpected situations. RedFox Games sincerely thanks everyone for their patience in waiting up to this moment.

Since RedFox Games plan to send text messages and e-mails sequentially to approximately 1 million Pre-registration users, it might take some time to reach everyone. You can find more information on the Grand Re-Opening & Pre-registration Rewards [here](#). A number of events will also be taking place in celebration of the New server's debut.
