

Henry Juste Announces Acquisition of Power IVS

Power IVS is a digital publication in the energy space, specifically related to inverters and generators.

BELLEVUE, WASHINGTON, UNITED STATES, January 2, 2023

/EINPresswire.com/ -- [Henry Juste](#) is pleased to announce his recent acquisition of [Power IVS](#).

Henry Juste is an electrical engineer for one of the top public companies in the United States. With expertise in power and a self-taught marketer, Henry plans on applying his expertise to develop the #1 inverter and generator business in the world.

In his most recent news, Henry is excited to formally announce his acquisition of Power IVS – a move that will help him to realize his goal of reaching the top of the inverter and generator market. Power IVS is a digital publication in the energy space, specifically about inverters and generators, and provides readers with product reviews and informative content through researched articles and blogs.

“In November 2022, I was able to purchase Power IVS from the original founder, Abdullahi Yusuf, who ran the business for three years,” Henry says. “I couldn’t be more thrilled to take over and grow the business after Abdullahi did a great job setting up the infrastructure, business plan, and establishing the processes.”

Some of the topics covered through Power IVS include:

- Power jack inverters
- Champion inverter reviews
- Durable power solutions

Most efficient inverters
Tips on maintaining an inverter battery
Inverters for vehicles
And so much more

About Power IVS

Power IVS is a content-driven website that helps to share education around inverters and generators, the proper use of which can help save lives in extreme conditions.

Owner, Henry Juste, bought the website through a broker and decided to create a real business plan to grow the website. He hopes to raise a round of funding to start his own inverter and generator brand in 2024.
