Recruit CRM has come up with a fun surprise for recruiters this New Year - a personality quiz that will help professionals identify the genre they belong to!

NORWOOD, NEW JERSEY, UNITED STATES, January 3, 2023

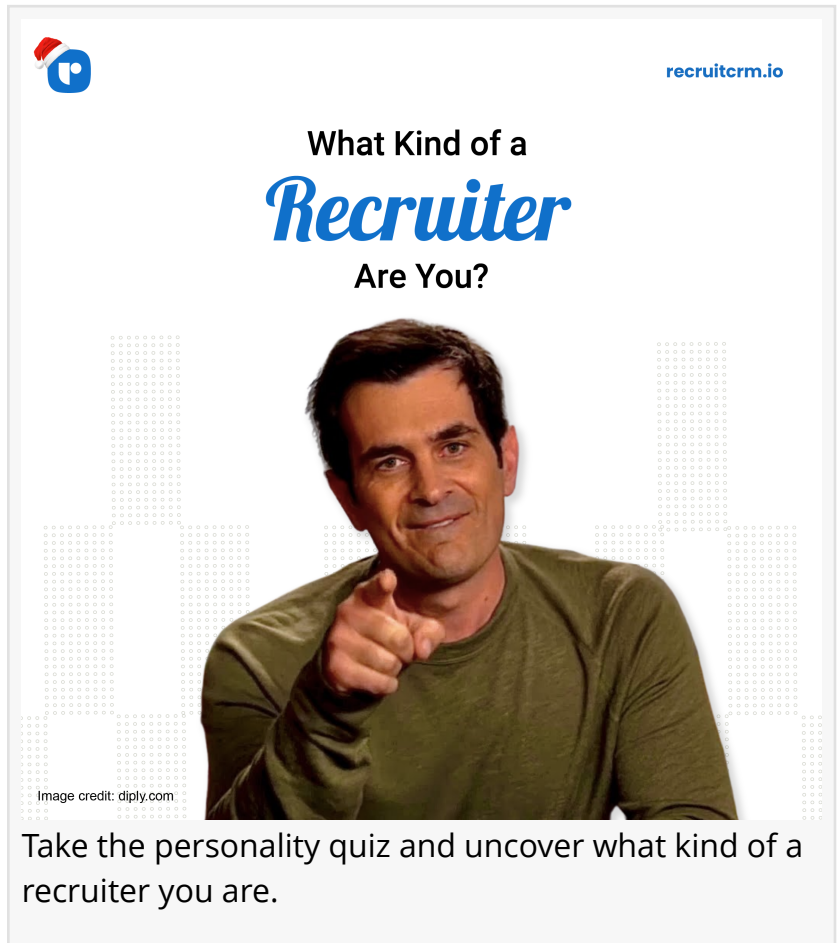

/EINPresswire.com/ -- Recruit CRM recently created a [personality quiz](#) exclusive for recruiters. The 10-question quiz assesses recruitment professionals based on their characteristic traits and reveals what work-personality type they fit in.

The best part is that the quiz-taker also receives a personalized email highlighting major hacks that will help them stay ahead in the recruiting game.

Before diving completely into the busiest recruitment months, recruiters can take this quiz just for fun and share the results with their circle.
