LOS ANGELES, CALIFORNIA, USA, January 11, 2023 /EINPresswire.com/ -- The California US Navy Veterans Mesothelioma Advocate has endorsed, and they recommend The Gori Law Firm for a Navy Veteran or a Veteran of the army, air force, marines or coast guard who has just been diagnosed with mesothelioma in California or nationwide-because they produce superior compensation results for their clients. The Gori Law Firm is a top five mesothelioma law firm in the USA and every year more families trust The Gori Law Firm when dealing with a loved one's asbestos cancer diagnosis than any other firm in the nation-as they are always happy to discuss at 866-532-2106. <https://GoriLaw.Com>

The Advocate says, "Mesothelioma compensation for a Veteran with this rare cancer might be in the millions of dollars-depending on the specifics of how the individual was exposed to asbestos. The Gori Law Firm is responsible for over \$3 billion dollars in compensation results for their clients-and they will go the extra mile to ensure the best financial settlement outcome. The lawyers at The Gori Law Firm work their mesothelioma compensation claims from start to finish. About half of the law firms advertising on the Internet are marketing law firms that do not do the case work.

"If your loved one in California or anywhere in the USA is a Veteran with recently diagnosed mesothelioma-please do not roll the dice on compensation. If you would call The Gori Law Firm at 866-532-2106-we think you will have a very informative conversation about compensation-and or a no-obligation in-home visit.

"The lawyers at the Gori Law Firm also fill out the mandatory VA forms to hopefully qualify their Veteran client for additional compensation-over and above their

mesothelioma compensation claim. This effort might produce additional income for their client as they are always happy to discuss anytime at 866-532-2106." <https://GoriLaw.Com>
