"Unlike Netflix & Amazon Prime, 'CINEMA ON WEB' is not a subscription based business model, but a unique Pay-Per-View business model of :

(1) Streaming brand new Movies, Web series and OTT content from the major film studios of Bollywood (being one of the largest producer of OTT content) as well as major film makers from Hollywood, South America, Europe, China & Japan.

(2) Live Casting major Sports Events, Concerts, Talk Shows, and Town Halls via 'PUBLIC LIVE CAST' <https://publiclivecast.com/> said co-founder Ms M.Mason.

For the unversed, We Must LLC has also successfully launched <https://wemustmeet.com/> - a Made in USA Video Conferencing and Webinar Platform, which transcends the border of regular video conferencing towards hosting large virtual events linked to Health Care, Education, Political Rallies, and Fund Raisers.

Cinema on Web & Public Live Cast are technically geared to deliver over 20 Million plus Pay-Per-Views of each major new film & live event."

Co-Founder : M.Mason

Advisor Dr. Raj Bhayani, a renowned medical professional and ENT surgeon having held various leadership positions in the healthcare field and leading hospitals in New York, said that <https://wemustmeet.com/> makes healthcare easy and secure and manageable for providers equipped with state-of-the-art features. "Medical students get full access to selected real-time surgery without having to be in the operating room, connect them to seminars, meetings, and classes across the country or on another continent he said.

Rahil Manji the global tech co-ordinator of We Must LLC projects says "<https://wemustmeet.com/> is powered and managed by one of the the most experienced tech company 'IOTUM' , a leader in video and audio solutions for the last twenty years ".

We Must LLC is soon to launch <https://wemustmeet.com/our-ventures/> Theme Parks, Boutique Hotels, Resorts, and Restaurants," says co-founder M.Mason.
