Lovett was very active while attending Homestead Sr. High School. She was accepted to the New World of Fine Arts but declined so that she could follow in the footsteps of her older sister the late Donna Lovett as she was the first dance captain and Michelle was the mascot. In 1992 Michelle joined the band dance line under the leadership of the late Rodester Brown. She later became one of the captains her senior year. Michelle was the first and youngest Ms. M.L.K. in 1992. She returned and hosted the annual parade in 2020 with Bret Brown. Michelle started working both in the community and church at an early age. Lovett has given out scholarships to

over 100 graduates since 2019, school supplies and more. She has given back to the community by sponsoring turkeys at Thanksgiving and toys at Christmas time to not only Florida City - Lauderdale but in Atlanta and Augusta Georgia as well.

Michelle Lovett is a 4X best-selling author, award-winning actor, writer, curator coach, publisher, producer, TV channel owner, internationally known and creator of the series "Life, Love, & Lock." She was recently awarded the Visionary of the Year award. A Miami native, Lovett has defied the odds since birth. Being born prematurely with a hole in her heart and asthma, doctors said she would not live 72 hours. As an adult with many major health challenges, doctors gave her only six months to live. Years later, she is still proving the doctors wrong.
