

NIX United Announces NIX United Salesforce AppExchange, the World's Leading Enterprise Cloud Marketplace

NIX United's customers can benefit from continually improved expertise in delivering customized Salesforce solutions to keep businesses running smoothly.

ST. PETERSBURG, FLORIDA, UNITED STATES, January 5, 2023 /EINPresswire.com/ -- [NIX United](#) announced it launched NIX United Salesforce AppExchange, empowering customers to connect with the right Salesforce-accredited consulting professional for their specific business needs.

Integrated directly with Salesforce, NIX United is currently available on AppExchange at <https://appexchange.salesforce.com/appxConsultingListingDetail?listingId=a0N3A00000FMhtJUA&T&legacy=true>

“

Our experts excel in contributing to our clients' business success, and our teams are willing to go the extra mile in search of optimal ways to set up and maintain Salesforce solutions”

*Anna Vorobiova, Head of
Business Development at NIX
United*

NIX United has been creating Salesforce-powered products for over six years. Our certified engineers can handle Salesforce-related challenges and determine the most effective way to empower the client's business. We assist customers with holistic business transformation, resulting in real business value.

NIX United's listing is currently available via the Consultants category on AppExchange. With the new Consultant Finder, customers can identify the best experts to solve individual business challenges from more than 1,000 consulting partner firms. Customers can choose

experts based on expertise, location, company size, and customer reviews—insights all powered

by thousands of customer projects performed by over 65,000 accredited consultants.

NIX United provides a [wide range of services](#), including Salesforce app development, consulting services, CRM customization & configuration, and integration solutions. The partner listing points to NIX United's quality Salesforce solutions tailored to the client's product, target audience, and current business needs. NIX has experience in delivering more than 100 Salesforce solutions in different domains. Our consulting listing on AppExchange allows us to extend our technological reach even further, with access to the Salesforce knowledge base and accredited partner platforms.

"Years of experience have refined our work processes," says Anna Vorobiova, Head of Business Development at NIX United. "Many clients have entrusted us with their Salesforce projects, and we look forward to providing a transparent and continuous interaction with new customers as a result of NIX United's expanded work with Salesforce."

About Salesforce AppExchange
