Jerry Davis, Founder and Owner of the Big Jerry's Fencing

The new Big Jerry's franchise will primarily service Putnam, Greene, Morgan, Oconee, Walton, Barrow, and Gwinnett counties.

The fencing franchise has grown quickly since its franchise launch in 2021. Big Jerry's can be found in seven different states with 16 operational territories. States include North Carolina, Louisiana, Pennsylvania, Florida, Idaho, Tennessee, and Georgia.

As for future growth, Davis says there's more to come. "Our team is expecting another three territories to close very soon and we have hopes of covering the Gulf Coast in 2023," he said.

The company is seeking new franchise partners to join its network. The franchise website for the company lists vendor partnerships, corporate training, a dedicated support team, and a protected territory as some of the perks of franchise ownership.
