BOSTON, MA, US, January 6, 2023 /EINPresswire.com/ -- R&B/Soul singer Cameen announces new single 'Angel' inspired by [Whitney Houston](#)'s life journey. Written and performed by Cameen, 'Angel' is the artist's first single in two years and is set to release on all platforms January 7, 2023.

Cameen's new single follows the story of a woman who has it all but loses it due to trusting the wrong people and poor decision making. The gospel song is a breath of fresh air in a saturated niche and showcases Cameen's musical talent and artistic ability.

New Single 'Angel'

In 2012 after Whitney's passing, Cameen put pen to paper and developed the chorus for 'Angel'.

“

Nothing Stops The Plan!”

By 2020, the song was basically ready to go. However, he was still toying around with the first verse. Something was missing, and it was keeping him from completing the track. During this time, Cameen continued to pursue his acting and philanthropic goals, landing a featured role in the

recently-released Whitney Houston Biopic 'I Wanna Dance With Somebody.'

This is when 'Angel' entered new ground. Inspired by his on-set interactions with stars Naomi Ackie and Nafessa Williams and the creative process of playing Whitney's closest protector and

bodyguard. Cameen finally completed 'Angel.'

'Angel', the perfect soul song, is available for streaming on all digital platforms on January 7, 2023.
