

Continuum and Plato Announce Strategic Partnership for Web3 Powered Data Intelligence & Content Syndication

Continuum today announced a strategic partnership with Plato Data Intelligence.

NEW YORK, NY, UNITED STATES, January 6, 2023 /EINPresswire.com/ -- [Continuum](#), a [Web3](#) community thinktank, today announced a strategic partnership with Plato Data Intelligence a

Our goal is to help early stage companies in the Web3 space create cost effective way to generate brand awareness, social proof and SEO across a company's marketing and outreach objectives."

Kristina Bruhahn

NYC based Data Platform focused on the curation of data intelligence on today's most innovative technology verticals. Through the partnership, Continuum's partner brands will immediately benefit from the increased global reach Plato delivers. The partnership is focused at extending the both companies active Web3 communities via increased brand awareness, engagement and vertical data intelligence using Plato's content distribution and syndication network.

"Our goal is to help early stage companies in the Web3 space create cost effective way to generate brand

awareness, social proof and SEO across a company's marketing and outreach objectives" stated Kristina Bruhahn, Continuum's CEO & Founder. "Plato's content distribution and syndication platform enables us immediate global reach across a deep mix of publications and media outlets while their data platform drives the latest in Web3 connectivity and data intelligence. Everyone in the Web3 space should be using it as it drives knowledge across our ever changing landscape."

"All Web3 brands are unique, solving different problems of archaic web2 infrastructure, but they all are faced with the same problems. Regulations, commercial adoption press, marketing, development, capital raising, cybersecurity audits, compliance and licenses that makes the sector very difficult to navigate. We immerse ourselves deep into a brand's objectives which serves as a testament to the way we deliver results." Kristina added.

"We are excited to work with Continuum and see a perfect fit for our platform across Continuum's growing community by delivering unprecedented engagement opportunities for their growing community" said Bryan Feinberg, Plato's Founder and CEO.
