“

Our firm believes strongly in giving back to our community and we hope this holiday season was one to remember for everyone involved!”

Allen Tittle

Ford attended Armwood High School in Seffner, Florida, before committing to the University of Alabama to play college football. After two years, Ford transferred to the University of Cincinnati where he took on the starting role in 2021, totaling over 1,500 total yards and 20 touchdowns in 13 games played. He was selected 156th overall, in the fifth round, by the Cleveland Browns. Ford has always been passionate about helping the communities in which he lived. Now with a new team, and living in a new city, he wants to make sure he's using his platform to better the community. He states, “It's such a privilege and an honor to

be able to assist these single parents and their families because I know what it's like to grow up in a single-parent home. Watching my mother work multiple jobs to provide me with the opportunities that I've been afforded meant so much. Events like this were so helpful to my

family as my mom was navigating single motherhood, so I wanted to pay it forward."

Allen Tittle from the Tittle Law Firm emphasized, "We're very grateful for the opportunity to partner with Jerome Ford and Cuyahoga County Children & Family Services. Our firm believes strongly in giving back to our community and we hope this holiday season was one to remember for everyone involved!"
