Lisa Daniel, CRM, CIC

Christopher Timm, Universal Shield's chief executive officer, said "we are honored to have Lisa and Antoinette represent our family of companies at this esteemed gathering of this year's panel of emerging insurance industry leaders. In their roles, they display outstanding innovation, pragmatism, deep experience, team leadership and talent development, and bring our company's strategy and core service values to the marketplace every day."

Qualifications for selection require nominees to have eight or more years of professional experience, be a high performer within their company, and demonstrate strong leadership potential. According to the sponsoring organizations' conference program, recognizing that developing and retaining top talent is essential for the ongoing vitality of the insurance industry, "the goal of the conference is to inspire and provide an opportunity for learning, professional development, and networking with emerging leaders and executive industry professionals."
