

Entrepreneur and Recovery Author Dino Miliotis Announces RECOVERY IS DISCOVERY 2023 U.S. Tour

One Man's Message of Hope Makes an Impact

LAKE ARROWHEAD, CALIFORNIA, USA, January 10, 2023 /EINPresswire.com/ -- Entrepreneur, recovery author, speaker, and magazine founder, Dino Miliotis, announced today the widely anticipated launch of his Recovery Is Discovery 2023 American speaking tour. The national tour is his latest effort to help spread a message of hope to millions in addiction recovery and rehabilitation centers across the country. "It's all about living life completely without limits," Miliotis explains, using the phrase synonymous with his life mantra and the namesake of his digital magazine, [Life Without Limits](#). "I'm thrilled to have the opportunity to take my message to a national level. Now, more than ever, people need hope... and, the journey starts now."

Miliotis' American tour will launch where he did his own recovery at Serenity Lodge in Lake Arrowhead in California. Case manager Laura Griffin at Serenity Lodge says, "I hand-selected his sobriety coin that read Recovery Is Discovery when he completed his treatment. I was so proud of him. I'm honored that he's now using that exact phrase as the name of his tour. It is so appropriate and so amazing."

Since his own recovery, Miliotis continues to be guided by his instinct and 'higher power' to bring hope to others. "The Recovery Is Discovery American tour focuses mainly on those still in recovery," he says. "These are the people who need inspiration most, especially right before they venture back out into the real world."

Miliotis will be inviting fellow sober warriors all from different walks of life and backgrounds who have experienced the same result of beating addiction, to join him on his national speaking tour. With more than 14,000 recovery and rehabilitation centers in America, Miliotis aims to reach his message of hope to everyone, one center at a time.

"Dino has a gift, not only for inspiring self-love and hope, but he literally lives this mantra in his words, actions, and fellowship of people – many of them in recovery," says Jessica Veljkovic, a recovering alcoholic and fan. "He gives you that pure hope we feel in the vestiges of youth when our lives were unmarred and unrestricted."
