"We are also appealing to the family of a Navy veteran with mesothelioma to not call Bob the local car accident attorney who lists mesothelioma compensation as something they do. Often Bob or about half of the ads on the Internet for mesothelioma are sponsored by middlemen marketing law firms that simply sign people up-they do not work on the compensation claim. In contrast to this-The Gori law Firm handles all their mesothelioma compensation claims cases in-house, and they know exactly how to get the best compensation
