strategy, performance marketing and SEO with the goal of further enhancing the visibility and engagement for Turkish Village at two outlets in the UAE through digital platforms.

Mr. Lovetto Nazareth, Managing Director, Prism Digital comments, "We are ecstatic to have been appointed by Turkish Village to not only elevate the brand but also firmly establish its existing outlets on the Dubai F&B scene. We endeavour to drive awareness for the brand within the local community by reinforcing our point of view that cross platform marketing, led by strong creative work, makes a

difference in business and delivers better results. We aim to further strengthen our brand's presence in the UAE by continuing to deliver content with purpose and creating impact as industry leaders with a wide reach.

Prism' diverse talent pool promises to blend creativity with passion while simultaneously exploring partnerships and opportunities to drive new trends and leverage on social media.

Prism will be in charge of content creation, community management, account management and reporting for the social media accounts of Turkish Village extending constant strategic support on social media activations for the brand's signature dishes, exclusive hospitality, exquisite ambience and concept based festive themes.

"The UAE is one of the countries that boasts of the highest internet

Turkish Village Restaurant

penetration rates, and as usage of social media platforms increases, so does our customers' interaction through them. We look forward to working together with the Turkish Village team to increase organic growth on social media and make it one of the most engaging brands across social channels in the region."
