Highlighting the win, Dr. Sangeeta Chhabra, Co-founder & Executive Director, Ace Cloud said, "This award is an extraordinary validation of the performance, security, and efficiency of Ace Cloud solutions that are driving business growth for many organizations across the globe. These badges are also a vote of confidence from our partner clients, and they will motivate us to do an even better job in 2023."

G2 is a top peer-to-peer review body that uses authentic data provided by real buyers to shortlist finalists. G2 Winter report is an unbiased reward program that is based on real-world responses from users of business information systems. After the feedback from the user community and data collected from various online channels, G2 runs proprietary algorithms to determine customer satisfaction and market presence scores of different solutions. Potential buyers use these insights to make informed and strategically wise purchase decisions.

About ACE (Press Release, WP, Case Studies)

ACE offers business-critical cloud computing solutions that provide vibrant pathways to transcend operations, foster innovation, and create value for partner organizations. The organization enables a conducive IT ecosystem that empowers businesses to smoothly work from anywhere and at any time in a secure manner. ACE has over 15+ years in creating, deploying, and scaling dynamic cloud infrastructure of high-growth enterprises and enabling real-world foundations to support their business growth. Leading organizations are harnessing ACE's Cloud Computing, Application Hosting, Virtual Desktop Infrastructure, and Managed Security Solutions to challenge the status quo, break their previous molds, and create the groundwork for future success.
