"DruvStar has been fortunate to find early success in tribal nations and takes its role in cyber-defense seriously. The Trilogy Group has unmatched credentials and insight into the needs of tribal communities. Together, DruvStar and Trilogy will help our clients be better prepared to operate their businesses while protecting against the dangers in cybersecurity," said Manjit Gombra Singh, DruvStar's founder and Chief Executive Officer.

"The cyber and data security services offered by DruvStar, specifically in the gaming and healthcare industries, are especially timely and relevant today, as we see ransomware and other attacks perpetrated with greater frequency. For Trilogy Group, partnering with DruvStar is a win-win. We can introduce the company to key industry leaders throughout both Indian Country and the industry, where DruvStar can offer much-needed protection against data breaches and cyber-attacks," said Valerie Spicer, founding partner at Trilogy Group.

## About DruvStar
