

# Bella Mademoiselle Cosmetics To Gift Luxury Skin Care And Makeup Clutch Boxes During Fashion Week

*Luxury Skin Care Experience To Be Provided During New York and Milan Fashion Week With Planet Fashion TV In February 2023*

NEW YORK, UNITED STATES, January 11, 2023 /EINPresswire.com/ -- [Bella Mademoiselle](#) Cosmetics brand has teamed with Planet Fashion TV to create a high end gifting experience for Influencers, editors, celebrities, and makeup artists during New York [Fashion Week](#) and Milan Fashion Week in February 2023.

2019 Senior Leader Top Women Award-Winner

Created by the award-winning Brazilian American entrepreneur Andrea Peixoto, and developed in Milan, Italy, Bella Mademoiselle has successfully launched in the USA and in Brazil. The brand has two skincare lines made in Italy and a complete professional makeup line. It is exclusively sold throughout multiple beauty clinics, and at premier Spa locations such as the Canyon Ranch Spa & Wellness. Bella Mademoiselle is now expanding throughout Europe in 2023. The entire product line is also available online at [www.bellamademoiselle.com](http://www.bellamademoiselle.com).

Andrea's shared passion for giving back to the community and to the environment combined with a long-term struggle to find products suitable to her very problematic skin, lead her to create Bella Mademoiselle Cosmetics' two skincare lines and a complete professional makeup line. The Amazonian Beauty Rituals Spa facial line is made with ingredients properly extracted from the Amazonian rainforest, and 10% of the sales are donated back to the Amazonian community to provide better living conditions such as potable water at homes. Bella Mademoiselle is redefining natural beauty! The brand uses all natural skincare products made with very effective natural ingredients suitable to all skin types and waste free innovative packaging. Andrea also consults and develops private label brands for dermatologists.

Milan and New York City have always been amongst the top fashionable cities in the world,

making them true fashion trend setters. They are the center of creativity, innovation, design and much more, just like Bella Mademoiselle's ingredients trends combined with innovative, creative, and smart technology packaging. Milan was where Bella Mademoiselle is made and New York was Andrea's first long stay in the USA, this is why these two places are very special for Bella Mademoiselle.

For Fashion Week, Andrea has put together a unique luxury box of products to pamper VIPs.

Andrea is also available to speak or interview on topics including:

- Natural Ingredients for problem skin
- Spa [skin care](#) at home
- Runway makeup looks for 2023
