

# Alex Shaw Promoted to General Manager of Agribusiness Risk Services

*ARS, a leading Farm / Ag loss control and claims administration company, announced today the promotion of Alex Shaw, AIC, AFIS, to General Manager.*

UNITED STATES, January 11, 2023 /EINPresswire.com/ -- Agribusiness Risk Services, LLC ([ARS](#)), a leading Farm / Ag loss control and claims administration company, announced today the promotion of Alex Shaw, AIC, AFIS, to General Manager. Shaw's promotion comes at a time of rapid growth and expansion for ARS, as the company's methods and technology have continued to attract new carrier and MGA clients that recognize the special value delivered by a niche Farm / Ag claims and risk services organization.

Shaw is an accomplished claims and risk services professional, with over 14 years of experience in property and casualty insurance claims, supported by an additional 20 years of previous experience in construction. Prior to his recent promotion, Shaw's title at ARS was Claims and Inspections Supervisor, a role he held since 2019. In addition to directly handling day to day administration of sophisticated claims and loss control services across a 39 state footprint, Shaw has been a leading pioneer in developing and

business challenges. In addition, there is no doubt in my mind that the best is yet to come for Alex, and I look forward to seeing him push himself and ARS to new heights in 2023 and beyond.”

Outside of ARS, Shaw is the immediate Past President, serving on the Emeritus Group of the Greater Kansas City Claims Association, a non-profit organization dedicated to education, professional development, and networking for all local professionals involved in the claims process (adjusters, carriers, banks, brokers, etc.). In addition, Shaw was recently selected to serve as one of nine experts on

the National Advisory Council of the the National Association of Independent Insurance Adjusters.

ARS is a wholly owned subsidiary of Agribusiness Risk Underwriters (ARU). (<https://agrisk.com>) ARU was founded in 2016 and has quickly risen to become the U.S. leader in specialty Farm / Ag product development, underwriting, loss control, and technology. ARU uses fundamental scientific principles, granular weather metrics, proprietary technology, and niche expertise to maintain a sustainable and profitable risk portfolio of historically-challenging Farm / Ag risks, all while providing a superior experience to policyholders. ARU supports a diverse network of retail producers, wholesalers, and carriers, providing not only traditional underwriting and loss control services, but also technology, product development, operational support, and reinsurance capacity.
