- Digital Healthcare Company Focused on [Covid Testing Services](#) for Important Wide Client Base.
- New Management with Expansive Vision for 2023 and Beyond.
- Nationwide Mobile Covid Testing Services for Business, School, Pre-Flight, and Other Key Safety Needs.
- Focused on Acquiring and Developing Companies and Technology that Emphasize a User-Friendly Approach.
- Leadership Team Represents a Unique Blend of Entertainment and Medical Professionals who came out of

COVID-19 Testing for TV and Film Productions.

□ Subsidiary Focal Point's Revenue From Medical Testing Exceeds 13 Million for 2021 and 2022.

Lotus Bio-Technology Development Corp. (OTC: LBTD) is committed to improving healthcare and advancing diagnostics through technology development and market acquisition. LBTD currently

manages a portfolio of state-of-the-art technologies and innovative companies that are successfully modernizing medicine and prioritizing a user-friendly approach to patient care.

LBTB Subsidiary Focal Point Healthcare offers a nationwide range of mobile Covid Testing which can be sent out within 24 hours of notice. LBTB has already established multiple locations of operation in California, Arizona, Nevada, and Florida. Current services include the following:

Drive-Thru Testing

LBTB Drive Thru testing does not require an appointment. LBTB offers two types of tests, a Rapid Antibody test (finger prick) and a PCR (nasal swab). A licensed clinician performs the Rapid Antibody test (finger prick), and has it interpreted by a LBTB Medical Director. The results will be sent via email to you within 30-45 minutes.

The PCR test (nasal swab) is performed by a licensed clinician and the specimen will be sent to one of the company's laboratories. Results take 24-48 hours to be sent out via email.

School Districts

Board Certified in Pathology Medical Director.

On-the-ground, experienced production representative to establish a testing base camp and implement protocols at each studio or location.

LBTB Focal Point Health Care owns multiple labs to ensure quick results & fast turn-around to keep productions on time and on budget.

LBTB labs and testing services are licensed in all 50 US States & Canada and have been granted Emergency Use Authorization (EAU) by the FDA for SARS-CoV-2 tests.

Preflight Testing

LBTB Focal Point Healthcare Services has partnered with a number of airlines and airports which require preflight Covid testing. By guaranteeing a timely turnaround time, LBTB makes sure that
