DOUGLAS, ISLE OF MAN, January 10, 2023 /EINPresswire.com/ -- Knowledge Process Outsourcing Market Analysis

With a compound annual growth rate (CAGR) of 15% during the forecast period from 2022 to 2029, the global knowledge process outsourcing (KPO) market size is estimated to reach USD 300 billion by 2030.

Knowledge Process Outsourcing
Market Growth Drivers and Risks

There is a huge amount of data that needs to be handled, processed, and analyzed, which is one of the key drivers of the knowledge process outsourcing market. Today, almost every organization is driven by information or data, which enables them to provide better services to customers and develop new products.

The demand for knowledge process outsourcing in the retail industry is growing as the importance of data increases. As a result of increasing demand for better flexibility in Service Level Agreements (SLAs) and convenience in change management procedures, it is expected that the knowledge process outsourcing (KPO) industry will grow strongly in upcoming years.
