

Randy J. Mire, Pharm.D Presents on The Cannabis Industry in Louisiana

The January Luncheon Speaker Series will be held on Tuesday, January 10th, and will also feature John B. Davis to discuss The Cannabis Industry in Louisiana

BATON ROUGE, LOUISIANA, UNITED STATES, January 11, 2023 /EINPresswire.com/ -- The ACG Louisiana January Luncheon Speaker Series will be held on Tuesday, January 10th, and will feature Randy J. Mire, Pharm. D and John B. Davis to discuss The Cannabis Industry in Louisiana.

Randy J. Mire, Pharm. D, founder and CEO of Capitol Wellness Solutions, obtained his Doctor of Pharmacy degree at Xavier University. He has been in the pharmacy business since 2007 and is a licensed pharmacist in multiple states. During his career, he has operated multiple pharmacies and other health care related businesses. Randy works hard to make sure his pharmacies achieve the highest level of accreditation to give patients in Louisiana the best pharmaceutical care possible. "Achieving a high standard with our pharmacies will allow the patients and their providers to give the best pharmaceutical care possible" he states.

John B. Davis is the President of Good Day Farm Louisiana, which facilitates the cultivation, extraction, processing, and production of medical cannabis to qualifying patients. With over 25 years of experience in a variety of highly regulated industries, John has developed a reputation for providing solutions to challenging problems. John holds a Juris Doctorate from Loyola University School of Law (1994) and a bachelor's degree from LSU (Louisiana State University) (1989).

This month's Luncheon Speaker Series will cover the Cannabis Industry in Louisiana. Randy will focus on the pharmacist's perspective of the medical cannabis industry and the challenges that arise through product safety and supply chain logistics, while John will focus mainly on the grower's perspective and the issues that arise through certifying plants and securing seeds from
