*The StudySoup Future Innovator scholarship will be awarded to a student who demonstrates strong leadership skills and works to improve communities.*

SANTA BARBARA, CA, UNITED STATES OF AMERICA, January 11, 2023 /EINPresswire.com/ -- StudySoup is pleased to announce the launch of their "Future Innovator Scholarship" for college students. As a company dedicated to helping students achieve their academic and career goals, they believe in supporting the next generation of leaders. With a goal to provide students with a transparent view of available scholarship opportunities and make it easy for them to apply, they are looking for outstanding students who are passionate about making an impact on their lives and the lives of others. This could include mentoring a fellow student, organizing a fundraiser for charity, or participating in a humanitarian trip abroad.

The "Future Innovator Scholarship" is a \$500 award given to a student who exemplifies one or more of Study Soup's core values: Be a Knight, Make an Impact, and Succeed Together. Inspiring and supporting college students who want to thrive in school and life, scholarships for college are open to students who demonstrate the following traits and qualities of a future innovator: helping others, determination, integrity, intelligence, creativity, ambition, and love of learning.

To be eligible for the [Future Innovator college scholarship](#), students must be 16 years old, enrolled in a high school (or equivalent), and will attend an accredited university or college in the next academic year (undergraduate and graduate students are both eligible). Applications can be submitted on the StudySoup website until the 4th December 2023. The winner will be selected based on their demonstrated commitment to positively impacting their community.

When asked about the goal behind the scholarship, Jeff Silverman, CEO of StudySoup, said, "Studies have shown that the most successful students are not just academically motivated. They are also mission-driven. We know that by helping you grow and succeed, we help more people access the fresh ideas and innovations they need to thrive in a world of rapidly changing technology and business. We are committed to helping students succeed, and our [scholarships for high school and college students](#) are just one way we give back to the world's future leaders. We can't wait to see the amazing accomplishments of the students who apply for this scholarship and look forward to supporting them on their journey to success."
