

# Celebrities Stunned in Exceptional Platinum Jewelry Designs at the 80th Annual Golden Globe Awards

*Dramatic Earrings and Statement Necklaces Were Popular Trends on the Red Carpet*

LOS ANGELES, CALIFORNIA, USA, January 11, 2023 /EINPresswire.com/ -- The 2023 awards show season was off to a glamorous start as Hollywood's most notable celebrities showcased an array of breathtaking platinum jewelry designs at the 80th Annual Golden Globe Awards.

"Since platinum is naturally white, it enhances the brilliance of diamonds and colored gemstones, while holding these important stones most securely," said [Platinum Guild International](#) CEO Huw Daniel. "It's the ideal setting for celebrities to wear on the red carpet."

The most prominent platinum jewelry trends at the Golden Globe Awards were dramatic earrings as seen on Selena Gomez and Hilary Swank, and statement necklaces worn by Lily James and Hannah Einbinder.

Platinum Guild International is pleased to share that leading red carpet jewelry brands such as Harry Winston, De Beers, Tiffany & Co., Fred Leighton, Kwiat, Rahaminov, Lorraine Schwartz, and Mindi Mond chose to style A-list celebrities in naturally white platinum.

The following stars selected platinum jewelry to celebrate their achievements:

### About Platinum Jewelry

Platinum is the ideal choice for red carpet jewelry because it holds diamonds and precious gemstones more securely than any other metal. It is not only the highest quality metal, but its density makes it one of the most durable and enduring precious metals. Platinum is also naturally white, unlike white gold, which means it will not cast any tint onto a diamond or gemstone, allowing the stone's genuine color to sparkle brightly.
