Features of Vents Offered by Ventiques:

- Ventique metal vents unique design allows for a flush mount, seamless finish
- Designed for use with intricate Tile, Laminate, Hardwood, LVP, and Carpet
- By integrating our two-part frame and vent insert, Ventique grills are completely interchangeable
- Available in 1/2" thickness
- In durability tests, our vents have proven their weight by upholding more than 875 pounds.
- Composed of powder-coated aluminum, our flush mount metal vents do not bend, crack, rust, chip, or peel
- Built in damper available in certain styles
- Easy installation for skilled craftsman and DIY homeowners alike
- To find the correct size, measure your duct opening Length x Width in inches

*NOTE: The size of your duct opening will determine which size vent you need. If your opening is 4x12 then a standard 4x12 vent will work. Let's say your opening is not standard size like 3x12, you can still use our 4x12 vent since our frame design goes around the duct opening
