Vaccination opponents and vaccination supporters, government supporters and government opponents are among the artists. An exhibition that shows the possibility of a peaceful and creative coexistence. Exemplary, if one is positively humanly willing.

For the first time, A5 texts are shown next to the works as an extended information level. A deeper access to the art and its creators is thus possible.

The artists' spectrum spans from Bavaria via Vorarlberg to Vienna as well as England, Holland and Iran. Six jury members decided on the submissions: Mag. Katrin Auer, Mag. Angelika Doppelbauer, Mag. Marlene Elvira Steinz, Walter Ebenhofer, Dr. Dr. Leopold Kogler, Johannes Angerbauer Goldhoff.

The art historian and curator Mag. Marlene Elvira Steinz discussed all 32 works at the opening. For the city of Steyr, the cultural officer Mag. Katrin Auer welcomed the guests. The opening speech can be seen on the project homepage.
