

ShedHub.com Integrates with RTO National

New partnership offers more payment options for online shed purchases.

SAN FRANCISCO, CALIFORNIA, UNITED STATES, January 13, 2023 /EINPresswire.com/ -- ShedHub.com, the leading marketplace for sheds, is excited to announce its integration with RTO National, the industry leading provider of Lease Purchase and Finance options.

Through this partnership, customers can now find inventory for sale using RTO National's network of dealers throughout the country. This integration also allows ShedHub users to use RTO National's checkout process to purchase buildings.

This means that customers can get the shed they need without having to pay the full upfront cost. Additionally, ShedHub will now update inventory from the RTO National dashboard in real time, making it simpler for buyers to browse the shed options they want to purchase.

"We're thrilled to be working with RTO National to offer our customers more payment options," said ShedHub CEO, Jeff Huxmann. "This partnership allows us to reach a wider audience and provide even more value to our customers."

“

This partnership allows us to reach a wider audience and provide even more value to our customers."

Jeffrey Huxmann

The integration with RTO National is now live on the ShedHub website, making it easy for customers to select the payment options that fits their needs at checkout.
