*Mortgage industry consultancy adds calculated leadership Executive to support exponential growth in 2023*

ENGLEWOOD, CO, UNITED STATES, January 11, 2023 /EINPresswire.com/ --

[BlackFin](#) Group, a management consulting firm serving the Banking and Mortgage Industries, announced today the appointment of [Todd Luhtanen](#) to Chief Operating Officer. A calculated appointment to support the firm's continued growth and the recent expansion of BlackFin's offerings to now being an umbrella of specialized [services](#) and software offerings. Prior

to BlackFin, Todd was consulting businesses on efficiency and growth as the President of Talan Consulting but is most recognized for his over twenty-year career delivering lending solutions as the Co-Founder, CTO, and former COO at Dynatek, Inc.

Todd Luhtanen, COO, BlackFin Group

“

after long and careful consideration of candidates we are excited to add Todd to our Executive team.”

*Keith Kempf President & CEO*

Todd will be responsible for managing the firms' day-to-day operations while overseeing the scalable expansion of BlackFin into its additional services and software offerings. He will be focused on streamlining operations while ensuring the internal and external service standards at BlackFin are maintained as the firm continues to grow in 2023. Todd highlighted, "Since meeting Keith and the BlackFin team I've been impressed with what they stand

for and the level of service they provide to their customers. They continue to bring value to the lending community and innovate the lending process."

Kempf says, "after long and careful consideration of candidates we are excited to add Todd to our Executive team. His senior leadership, integrity, knowledge, skills, and experience – accompanied by his relentless commitment to Client success, puts us in the best position to

scale our exponential growth in 2023. Offering a broad set of services and software now, we needed someone who possessed the experience and ability to effectively define operational methods, strategies, and frameworks that will allow us to effectively grow without sacrificing the customer experience we are recognized for providing.”
