

Canyon Rim Consulting Joins NetSuite Solution Provider Program

A leading system integrator and ERP solution provider launches NetSuite practice to meet the growing demand for cloud ERP

AMARILLO, TX, USA, January 11, 2023 /EINPresswire.com/ -- Canyon Rim Consulting, LLC, a technology services consulting firm, today announced that it has joined the Oracle NetSuite Solution Provider Program. With NetSuite, Canyon Rim will help its customers take advantage of a powerful cloud ERP system to gain the visibility and control needed to adapt and thrive.

Canyon Rim's Experienced Team

“The past few years brought disruptive change, and many organizations are seeking modern, cloud-based systems that can provide greater flexibility to help during challenging times,” said Wayne Freeman, foundational architect, Canyon Rim. “We are excited to partner with NetSuite to expand our portfolio of services and further strengthen Canyon Rim’s manufacturing and supply chain expertise. NetSuite’s integrated business system will allow our customers to improve visibility into data across the organization, increase efficiency, and address industry challenges.”

By joining the program, Canyon Rim will leverage its extensive experience to promote,

implement, and tailor NetSuite to its clients in the consumer packaging goods and manufacturing industries. The NetSuite Solution Provider Program provides access to a comprehensive portfolio of enablement and entitlement activities, which helps NetSuite partners unlock new revenue opportunities. NetSuite partners can leverage every aspect of the suite, including ERP,

HCM, inventory management, CRM, and ecommerce. In addition, Canyon Rim is also joining the NetSuite SuiteLife initiative. SuiteLife helps accelerate partner onboarding and provides multiple layers of engagement and support as well as access to NetSuite best practices.

“We are pleased to welcome Canyon Rim to our Solution Provider Program and SuiteLife initiative,” said Craig West, vice president of channel sales and alliances, Oracle NetSuite. “We look forward to working with the team at Canyon Rim to combine their industry expertise with our robust suite of technologies to help it create new revenue opportunities and accelerate growth while achieving mutual success for our customers.”

About NetSuite Solution Provider Program

The NetSuite Solution Provider Program allows NetSuite partners to take advantage of the growing demand for cloud ERP to expand their businesses. As part of this program, partners have access to strategic practice planning, in-person and on-demand training across functional areas, and assets and best practices to support the entire customer acquisition and success lifecycle. In addition, the robust cloud system delivered by NetSuite, which includes ERP, HCM, inventory management, CRM, and ecommerce, enables partners to thrive. As a NetSuite partner, organizations can spend less time solving technology issues and more time solving business issues to help their customers adapt and thrive.
