TAMPA, FLORIDA, UNITED STATES, January 12, 2023 /EINPresswire.com/ -- The Truck Depot LLC truck parking Expanding to New Florida Location

The popular business, The Truck Depot LLC, is excited to announce its expansion to a new location. The truck depot is well-known for its truck parking services on the west coast and Missouri. The truck depot customers can now take advantage of this same quality at the new spot in Tampa Bay.

The new location is going to be located in Tampa Bay Florida, and is convenient for customers from the surrounding area and those moving freight through the state. "This will allow the business to reach out to a larger audience and provide more people with their excellent service" CEO Aurel Davidyan commented when asked for his opinion.

The company will continue to offer the same high-quality truck parking services as they do at all of their other locations that include Dallas TX, Portland OR, St. Louis MO, and Tacoma WA. The Tampa location will start as a six acre paved, fenced, and security monitored parking facility with some upgrades planned for the future.

The staff of the truck depot are thrilled about the move and look forward to meeting new customers. They hope that with this addition, they can continue providing excellent customer service and build on their already established reputation while they serve the new southeastern USA market.

The Truck Depot looks forward to welcoming everyone at the new location when it opens in the new year of 2023.
