DAVOS, SWITZERLAND, January 13, 2023 /EINPresswire.com/ -- Today, Ukraine House Davos and TIME announced that President of Ukraine Volodymyr Zelenskyy will be interviewed by TIME Editor-in-Chief Edward Felsenthal on Wednesday, January 18th at 18.30 CET at Ukraine House Davos alongside the World Economic Forum.

As the one-year anniversary of Russia's full-scale invasion of Ukraine approaches, the conversation between President Zelenskyy and Felsenthal will address the President's leadership and vision for the future. The interview, which will be conducted by remote video, marks Zelenskyy's third consecutive year joining Ukraine House Davos.

TIME named President Zelenskyy and the spirit of Ukraine as the 2022 TIME Person of the Year. Of the choice, Felsenthal wrote, "For proving that courage can be as contagious as fear, for stirring people and nations to come together in defense of freedom, for reminding the world of the fragility of democracy—and of peace—Volodymyr Zelensky and the spirit of Ukraine are TIME's 2022 Person of the Year." President Joe Biden applauded President Zelenskyy for this recognition during his recent trip to Washington, D.C.

The interview will be livestreamed on the Ukraine House Davos YouTube channel.
