*Dr. Jackie Golden assists professionals in packaging and marketing what they know, love, and do.*

CHICAGO, IL, UNITED STATES, January 17, 2023 /EINPresswire.com/ -- Entrepreneurship is a means of creating wealth. A vehicle to live a life by design, not by default. Yet, too many people languish as employees when they really want to be entrepreneurs. They want to start their own business as authors, professional speakers, coaches, or consultants, but simply don't know how to get started. In planning, starting, and profitably operating a new business, one needs to make the best use of available resources, be innovative and creative, and develop new concepts and put them into practice. However, there are many challenges and obstacles that prevent people from achieving their entrepreneurial goals. Dr. Golden helps overcome these challenges and obstacles by showing them [how to package and sell knowledge](#).

From Scratch To Six Figures Book

Dr. Jackie Golden's newest book, [From Scratch To Six Figures: How To Package and Sell What You Know, Love & Do](#), recently landed at the top of the bestseller charts. In the book, Dr. Golden walks readers through her trade secrets and life-changing system for building a coaching/consulting business that generates income online and offline by using what they already know, love & do. Using real client results, Dr. Golden encourages readers to BUST -A -MOVE® and build their own income-generating business.

“The information in From Scratch To Six Figures is my legacy. My way of giving back to my family, community, and the world at large. If the [traditional 9 to 5 is weighing you down](#), and you want to spend more time with the ones you love, or you've always had a strong desire to start your

own business as an author, professional speaker, content creator, coach, or business consultant, this book shows you how," says Dr. Golden, the founder of Golden Business Group, LLC.

"Packaging and selling your knowledge is the path to bigger, better, and greater opportunities for starting your own business, and growing it," she adds.

With the help of the book *From Scratch to Six Figures*, professionals learn how to monetize their knowledge and expertise to gain economic control over their lives by generating income for themselves.
