"I'm excited to continue sharing my knowledge and hands-on experience with new and experienced real estate entrepreneurs," said Glen Gallucci. "With these new educational programs, my intention is to help even more people succeed in the short-term fix & flip real estate market at a reasonable price point.

Glen's unrelenting focus and drive have led to tens of millions in private funds being invested in the real estate market, greatly benefiting both beginning and experienced investors. His reputation as both an educator and investor, as well as Glen's monthly meetup groups have consistently attracted newcomers and seasoned investors due to his integrity, humility, loyalty, and professionalism.
