

Better days for BRAZIL

The song "Os Dias Vão Melhorar" is launched at the right time

SAINT RÉMY DE PROVENCE, FRANCE, January 17, 2023 /EINPresswire.com/ -- Hello, Amid current events, the Brazilian version of "Welcome to Brighter Days" is particularly meaningful. In this tense climate, this song by Freddy Zucchet feels good! In its first release, listeners expressed their pleasure with the song and its unifying lyrics. "The poetic and positive lyrics are seductive and moving, and the mellow rhythm of Bossa Nova is like a lullaby" (Nathan Frickman). "Os Dias vão Melhorar" is available in over 100 countries. Thank you for sharing about this warm and timely song!

Os Dias Vao Melhorar - Welcome to Brighter Days
BRAZIL Freddy Zucchet

- "Os Dias Vão Melhorar": The Brazilian artists

Camila Andrade provides the lead vocals; Freddy Zucchet is on the guitar and backing vocals with musicians from São Paulo and Rio de Janeiro.

"Thanks to the Internet, it is easy to organize castings," says Freddy, who wanted a modern Bossa Nova version. "I chose to work with Camila Andrade who has been listening since an early age — thanks to her parents — to Tom Jobim and Vinícius de Moraes, João Gilberto and then Caetano Veloso, Chico Buarque, Milton Nascimento, Gilberto Gil. In the Bossa Nova genre, these are legendary artists I also admire. We were on the same page regarding the goals, and the complicity was instant." Before the final mixing stage, Freddy integrated modern synthesizer sounds to enrich the production and enhance the acoustic instruments.

- Welcome to Brighter Days: artists from 5 continents

The initial concept is to offer the possibility to artists from each country to create their own version of "Welcome to Brighter Days" in their own language... To date, there are several versions of the song: USA, India, Indonesia, Sweden, France, Brazil and soon, China... Freddy collaborates with artists on 5 continents! Where will the next version be produced?

- A call to labels

It's not easy to create, develop, collaborate, and distribute all over the world independently. Freddy has started the process. It would be great to benefit from the relay of a music label, license, edition, synchro or other so that this song continues its humanist way on the roads of the world. Thank you in advance for your proposals, which will be examined with the greatest attention.
