

Lyric Health Announces New Partnership With MDsave

Lyric Health, the award-winning virtual primary care company, is excited to announce our new partnership with MDsave

MCKINNEY, TEXAS, UNITED STATES, January 17, 2023 /EINPresswire.com/ -- [Lyric Health](#), the award-winning virtual primary care company, is excited to announce our new partnership with [MDsave](#), the nation's leading online medical service platform connecting providers, employers, and patients to transparent, transactable, and affordable healthcare.

With this new partnership, Lyric Health will expand our virtual primary care and dedicated care coordination capabilities. Lyric's patients and employer partners will have access to MDsave's national directly-contracted network, which spans over 5,000 providers and offers 2,000 distinct procedures across 30 specialties. Employers and patients can access these fully-bundled services through Lyric's intuitive platform and MDsave's patented workflows.

Lyric Health, a division of [MyTelemedicine](#), now services over five million patients nationwide, providing fully integrated virtual urgent and primary care, behavioral health, dermatology, MSK, second opinion, and labs wrapped around its round-the-clock team of care coordinators supporting patients' healthcare journeys. "With this new partnership, we are thrilled to access such impressive, more affordable critical services for all the patients we care for through a
