Kitay Law Offices announces a new partnership with the Reading Fightin Phils. Both organizations are committed to supporting local charities and causes.

READING, PENNSYLVANIA, USA, January 18, 2023 /EINPresswire.com/ -- [Kitay Law Offices](#) is thrilled to announce a new and exciting partnership with the [Reading Fightin Phils](#) beginning with the 2023 season. We are proud to join forces with an organization that is so deeply rooted in our community and invested in giving back.

The Reading Fightin Phils are one of the longest-standing iconic sports organizations in the region. We have been impressed by their commitment to providing affordable, family-friendly entertainment while remaining committed to supporting local charities, businesses and causes. As such, we feel that this partnership is an excellent match.

The Reading Fightin Phils, also known as the Reading Phillies, participate in many different initiatives throughout the year. Baseballtown Charities, for example, aims to teach life lessons that you can learn through baseball. Another program, Rip It For Life, seeks to provide high-quality baseball training to underprivileged youth who may not otherwise have access.

For over 25 years, Kitay Law Offices has been dedicated to serving clients throughout central and eastern Pennsylvania. "We will continue this commitment right here at home with the Reading Fightin Phils," says Kenneth Kitay, Owner of Kitay Law Offices. "Our partnership will strengthen the bond with our local community and help ensure that everyone has access to high-quality legal services."
