About Indie Short Fest

Proud of having boosted several projects such as Oscar-Contenders "Umbrella" (Brazil) and "After Skid Row" (USA), and "One Last Last Heist" (Canada) acquired by Sony TV, 5-year old Indie Short Fest is an exciting international film competition with special red carpet screenings and Q&A all year round and an annual awards event.

Every month, Indie Short Fest establishes a comprehensive hierarchy of the most important films in the festival circuit, awarding a considerable number of projects in several different categories. A monthly breakdown, listed by IMDb, that allows filmmakers to be, at the same time,

in a traditional; annual festival competing for a spot among the world's best short films of the year to be screened in Los Angeles.
