I jumped on board right away and maybe just maybe pushed Brad a little too fast to start shooting. Which really goes to show how talented Brad is as a director, actor and executive producer. Casting this amazing project within the time constraints we had, was close to a miracle. And our amazingly talented cast and crew were all team players and knock it out of the park. Everyone worked extremely hard and gave the performances of a lifetime. I'm honored to be apart of MORE...MORE...MORE... "Taking a project that originally was a two minute skit that was written by Joel LaFlamme on a Wednesday in less than 90 seconds and then producing that short skit the following Sunday. Then being told we have something there. Forward two weeks to the 32 pages of the script, filming, editing and sending to festivals within a month. Man what a ride and to receive this award. I knew we had something special." On winning "BEST ORIGINAL STORY" – Brad Banacka, Creator, Director, Editor, Executive Producer and Lead Actor.
