

Phoenix Rising Publishers present: A New Star Has Risen In The Book Sky

A thrilling new way of matching spirituality and fantasy. Magical words touch the soul and activate memories of higher realms.

FORLI-CESENA, ITALY, January 25, 2023 /EINPresswire.com/ -- Fantasy stories abound, but few authors match them with language that not only touches deep inside, but also resonates with something powerful in the soul. This tale plays poetically and profoundly with words. They are consciously and carefully chosen to awaken memories of the true being.

Light-footedly, the book takes on a journey into inner worlds,

unexpectedly opening gates to long forgotten or unconscious aspects of the Self.

[North - A Shamanic Journey](#) is an exceptional reading pleasure that honors the reality of the soul and unconditional love. The story is a door opener into other dimensions waiting to be discovered by the open-minded seeker.

A shaman who must cross traditional boundaries to find his fulfilment. A seeress who follows the call of the Unknown. Worlds apart, they nevertheless find each other.

Before the New can be born, life demands great trials from them. Only the selfless and devoted sacrifice of the lovers will bring salvation....
