Segment Analysis

- 1. Based on the Origin, Health and Hygiene market is segmented into chemical and natural. The natural segment is forecast to be the fastest-growing segment and is estimated to grow at a CAGR of 4% during the forecast period 2020-2025. A shift in consumer preference toward natural products is driving the growth of this segment. Also, these products offer numerous benefits such as healing skin damage, reduced irritation of the skin and reduce skin sensitivity and reactions.
- 2. Based on the material, Health and Hygiene market is segmented into liquid, solid, powder, and others. In 2019, Liquid held the largest share of the health and hygiene market. This is mainly owing to the high use of various liquids in the production of various hygiene and health endproducts. Most ingredients are in liquid form and many others are derived from liquids to form gels and other materials.
- 3. Asia-Pacific dominated the health and hygiene market share accounting for 35% of the market in 2019. This is mainly owing to the rising demand for hygiene products, especially sanitary napkins and tampons owing to the growing awareness of women's hygiene. A higher ratio of women in the overall population, along with rising demand for sanitary napkins and tampons is further contributing to the market growth.

Competitive Landscape:

The top 5 players in the Health and Hygiene Market Industry are -

- 1. Beiersdorf
- 2. Johnson and Johnson Limited
- 3. Procter & Gamble
- 4. Gulf Manufacturing EST
- 5. Kimberly-Clark Corporation
