

# Saving Enough for the Cybertruck is Easy

*Getting a Cybertruck is easier than it seems*

DALLAS, TEXAS, UNITED STATES, January 18, 2023 /EINPresswire.com/ -- Recently, it's more popular than ever to order a car before it's released. In the wake of recent technology resource shortages, everyone wants to get their hands on the latest and greatest tech. With new electric vehicles (EV) being released regularly, it's common for eager buyers to pay a small fee to join the waitlist.

CYBERTRUCK  
MSRP: 39,900

TRADITIONAL FINANCING		SAVINGS.CLUB	
APR 16%	\$794.28 / mo	EAPR 0,99%	\$492.95 / mo
Total Loan:	\$66,719.85	Total Loan:	\$41,408

**YOU SAVE: \$25,311.85**

Save on Cybertruck with [savings.club](https://savings.club)

Manufacturers don't have many options for excited buyers to start saving for upcoming car models. If car buyers look forward to owning their ride when it comes out, the earlier they start to finance, the better. However, the options for an affordable car loan can be few and far between.

For the upcoming Cybertruck, the hype couldn't be bigger. With offroad capabilities and the ability to transport signature Tesla accessories, the Cybertruck has had a large following since its announcement.

Instead of just waiting around to take a loan when the car releases, [savings.club](https://savings.club) helps Cybertruck waitlist members build equity during the waiting process. Members save thousands of dollars stored in a common fund. The common fund is used periodically to lend members credit. This alternative car financing is more affordable than any bank loan available in the states today. Planning and patience are all car buyers need to save thousands.

savings.club charges EAPR that never surpasses 9.9%. The club's all-digital infrastructure keeps things simple and affordable. The age of long contracts, complicated jargon, hidden fees and disclaimers is over. savings.club is finally making financing comprehensive and available for all. Any Texas resident can start to save on their car by signing up today.

Waiting for a car to release doesn't have to be a waste of time. Now anyone can learn how to

finance smarter so they can own their dream car when it finally releases. The alternative car financing solution the U.S. has been waiting for is finally here. Across the world, savings clubs save people money every day.

For those that want to see the deals that savings.club has on car loans, their alternative car financing calculator is a great place to start. Choosing a desired monthly payment and contract term can help anyone a long-term plan for purchasing a car through the club.

About savings.club

savings.club is smart funding for smart people. With planning and patience, anyone can get the car they want. The company gives members all the tools they need to buy a car without taking a hefty loan from the bank. Using a common fund for member purchases keeps the power and the cash in the hands of the people.
