LaserSkin MedSpa Launches New Podcast: Advancements in Women's [Pelvic Floor Health](#)
HOSTED BY: Maggie McKay

Dr. Steven Karp, from Cherry Hill, NJ, and a lifelong resident of the Philadelphia region, has a passion for helping people improve their health and overcome skin-related issues. Laser Skin MedSpa is thrilled to announce their new podcast, Advancements in Women's Pelvic Floor Health. Dr. Karp was interviewed on the Top Docs Podcast and Show, a podcast centered around conversations with the top healthcare providers across the US that's available on over 20 different podcast platforms including Apple Podcasts, Spotify, Google Podcasts, Pandora, and I Heart Radio among others.

The episode focuses on Women's Pelvic Floor Health and is geared toward women over 40 who are in perimenopause or menopause. Dr. Karp discusses a new treatment option called [TempSure Vitalia](#) for women who experience bladder leaks, vaginal dryness, and other uncomfortable symptoms in mid-life.

Maggie MacKay, hostess of Top Docs says, "There is so much information to be shared about

There's a solution to revitalize your feminine wellness. The TempSure Vitalia treatment delivers gentle heat to your most sensitive areas to improve local circulation.

pelvic floor health and Dr. Karp highlights some of the things that many women often don't realize are a part of the mid-life change. And more importantly, he helps women understand how to treat these uncomfortable symptoms and feel better."

To listen to the episode on the Top Docs Podcast and Show, check out Top Docs on Apple Podcasts, Spotify, Google Podcasts, Pandora, or I Heart Radio, or visit <https://www.topdocsshow.com/>.
