Several companies operating in the market are focusing on product portfolio expansion into untapped geographies. For instance, in January 2020, Terumo Corporation announced the launch of AQUABRID, a new surgical sealant in the EMEA market. AQUABRID is specially developed for aortic procedures to stop bleeding during and post surgeries. The company earlier introduced this product in Japan under the brand name Hydrofit and is under the process of registration in Eastern Europe, the Middle East, and Africa.
