

Cyret Technologies and Instron Technologies Join hands to Accelerate the Digital Transformation in Manufacturing Sector

Cyret Technologies and Instron Technologies Announce Strategic Partnership to Accelerate the Business Process Management with Operations Environment Management.

PUNE, MAHARASHTRA, INDIA, January 19, 2023 /EINPresswire.com/ -- [Cyret Technologies](#) and [Instron Technologies](#) are pleased to announce that they have entered into a global strategic partnership, combining Cyret's strengths in ERP & IT Consulting Services with Instron Technologies' industrial automation and cross-domain engineering expertise.

Cyret Technologies India Pvt Ltd & Instron Technologies LLP Enters Strategic Partnership

Cyret Technologies Partners with Instron Technologies - Official Signing

Industry 4.0 has been a buzzword for a while yet there is a dearth of reliable solutions and executing partners. Cyret-Instron Technologies partnership synergy will benefit customers in the manufacturing domain wherein digital factory solution is a tangible need.

“

Cyret & Instron Technologies will focus on a digital transformation for our clients by automating their business process management with Instron's Digital Factory Solution & Automation Expertise.”

*Milind Inamdar, President,
Cyret Technologies India Pvt.
Ltd.*

“Together, Cyret & Instron Technologies will focus on a complete digital transformation for our clients by automating their business process management with Cyret's 20+ years of expertise in ERP Implementation & Services powered by Instron's Digital Factory Solution and Automation Expertise.”

– Milind Inamdar, President, Cyret Technologies India Pvt Ltd

“With Instron Technologies Partnering with Cyret, we are all set to transform the Product and

process industry, not just with enhanced productivity but also give our customers a distinct edge over the competition in the global marketplace by leveraging Cyret's strength in Enterprise Applications."

– Rahul Shirude, Co-Founder, Instron Technologies
