

# Progressive Dental Center offers top-notch cosmetic dentistry in Marion, Indiana

*Progressive Dental Center offers top-notch cosmetic dentistry in Marion, Indiana providing restorations, dentures and dental implants*

MARION, INDIANA, UNITED STATES, January 25, 2023 /EINPresswire.com/ --

In order to assist customers obtain their perfect smile, Marion, Indiana-based [Progressive Dental Center](#) provides a comprehensive range of cosmetic dentistry services. The clinic is committed to offering its patients the finest standard of care and service, and it has a staff of highly qualified and experienced dental experts.

Cosmetic dentistry is a subspecialty of dentistry that aims to make teeth, gums, and bite seem better. It comprises a range of treatments that can be utilised to improve the aesthetics of a patient's smile, including teeth whitening, veneers, bonding, and orthodontics.

Teeth whitening is one of the most well-liked cosmetic dentistry procedures provided by Progressive Dental Center. The teeth are bleached during this operation to remove stains and discolouration, making them appear whiter and more young. The dental practise provides both in-office and take-home whitening treatments to meet the needs and desires of its clients.

Another well-liked cosmetic dentistry service provided by Progressive Dental Center is veneers. Veneers are thin porcelain shells that are crafted specifically to fit over the fronts of teeth. They may give patients a beautiful, natural-looking smile by addressing a number of cosmetic

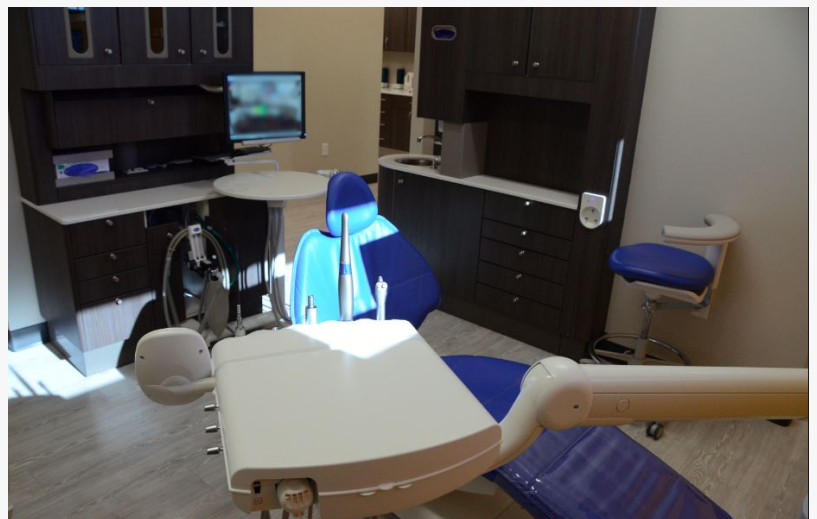

concerns, such as discolouration, chipping, and gaps.

Another cosmetic dentistry service provided by Progressive Dental Center is bonding. In order to fix minor cosmetic problems like chips and gaps, a composite resin material that is customised to the patient's teeth's colour is applied to the surface of the teeth. The material is then formed, polished, and hardened to provide a durable and realistic-looking outcome.

Another cosmetic dentistry service provided by Progressive Dental Center is orthodontics. This service offers traditional braces and transparent aligners that can be used to straighten teeth and enhance bite. The most recent technology is used by Progressive Dental Center to provide patients with an extensive orthodontic programme that is customised to meet their individual needs.

Other cosmetic dentistry services provided by Progressive Dental Center include smile makeovers, full-mouth reconstruction, and gum recontouring. These treatments are made to address a variety of cosmetic problems and assist patients in achieving their perfect smile.

In addition to standard dentistry services including exams, cleanings, and fillings, Progressive Dental Center also provides cosmetic dentistry procedures. This all-encompassing strategy enables the clinic to offer a whole spectrum of dental treatment to its clients, from fundamental preventative care to difficult procedures.

The clinic is outfitted with state-of-the-art tools and technology, such as digital x-rays and 3D imaging, enabling more precise and effective diagnosis and treatment. The clinic also places a lot of emphasis on patient education, making sure that patients are completely aware of the advantages and disadvantages of each surgery as well as their treatment alternatives. Visit their office at [830 N Theatre Rd, Marion, IN 46952](https://www.google.com/maps/place/830+N+Theatre+Rd,+Marion,+IN+46952) for more details or to make an appointment, or give them a call at (765) 664-0028.

In conclusion, Marion, Indiana's Progressive Dental Center is a top business for cosmetic dental services. The clinic is committed to assisting customers in achieving their ideal smile by offering a variety of services, including teeth whitening, veneers, bonding, orthodontics, and more. The clinic is a great option for anyone in need of cosmetic dentistry treatments because it is manned by a team of highly qualified and experienced dental professionals and uses the most recent technology and procedures.
