also their Newton TOUCH and its Touch Finding Features. SAI also exhibit Newton Link, SOLUM Smart Chargers, Smart Tags, and their newest product Trace, which enables retailers to locate their products, shopping carts, and more.

"SOLUM is here to show our latest and greatest electronic shelf label solutions," shares John Revie. "Including extensions for use with robotics, picking, and stocking, LED solutions, advertising interface solutions with LCD screens."

NRF 2023 had over 175 sessions, over 350 keynote speakers, and over 1,000 exhibitors.

NRF is the world's largest retail trade association. Its members include department stores, independent retailers, chain restaurants, and multi-level marketing companies. Every year it hosts Retail's Big Show, a major retail convention that unites entrepreneurs, business experts,

and retail solutions providers to participate in talks and expos.
