“Through changing microeconomic factors like inflation, rising interest rates, material shortages and supply chain

issues, Angi Super Service Award Winners delivered best in class customer service. These businesses are putting customers front and center and going above and beyond, providing great value, service and quality work,” said Angie Hicks, Chief Customer Officer, Angi. “Our homeowners’ consistent positive reviews make it clear: these are the best pros in our network. Congratulations to all of our Super Service Award Winners.”

Angi Super Service Award 2022 winners have met stringent eligibility requirements, across ratings and reviews during the eligibility window of November 1st, 2021 - October 31st, 2022. Pros on Angi qualify for the award by obtaining 3 or more services-performed reviews during the review period, maintaining a current and lifetime rating of at least 4.5 stars. The SSA winners must be in good standing with Angi and have undergone our verification/screening.

“We have been a member of Angi since 2020, and we are pleased to have served more of their very loyal customers each year,” said Mick Koster, president and CEO, Elite Roof and Solar. “Adding a third consecutive Angi Super Service Award to our growing stable of awards is further testament to every member of our team, their dedication to our purpose, and our high

standards for customer service. So when we say we are an [award-winning roofer](#), it's not just a marketing phrase – Elite has the actual awards from these trusted brands like Angi”
