

Epoch Concepts Announces the Appointment of Christie Codner as Chief Operating Officer

Accomplished IT Executive is Promoted as COO to Continue Successfully Leading Operations for Epoch Concepts

LITTLETON, COLORADO , USA, January 19, 2023 /EINPresswire.com/ -- [Epoch Concepts](https://www.epochconcepts.com), a trusted partner and

supplier of IT solutions and services to the US Government and its agencies, system integrators, and enterprise organizations around the world, is pleased to announce that Christie Codner has been

appointed Epoch's new Chief Operating Officer (COO). As Epoch's new COO, Codner will lead and scale the company's growth and business operations. She will report directly to Epoch Concept's CEO, Marcus Smiley.

“

She has demonstrated the ability to operate with the highest level of efficiency and is dedicated to building high performing teams.”

Marcus Smiley, CEO

“Christie brings a decade of experience as an accomplished and innovative IT industry executive with a focus on business operations, seamlessly leading the partnership program, marketing and integration teams,” said Smiley. “She has demonstrated the ability to operate with the highest level of efficiency and is dedicated to building high performing teams. Christie understands the depth of our organization, our trajectory, and our culture, and I am

confident that she will thrive in this newly appointed position and help take our business to the next level.”

Codner's experience prior to working with Epoch Concepts includes working as a lead counselor for the Arapahoe House where she supported clients with resources to help them overcome mental health challenges while guiding staff on procedures and caseload management. Codner is an exceptional business leader that thrives on solving complex challenges through collaboration and innovation. Her data-first approach drives operational improvement and development across organizations.

Codner holds a Bachelor of Arts in Psychology with a minor in Sociology from Metropolitan State

University and is a recent graduate from the University of Colorado with an EMBA.
