HOUSTON, TX, USA, January 19, 2023 /EINPresswire.com/ -- [Braniff LLC](#) introduces its newest entertainment project, [THE JUMBO QUEEN](#).

“

Braniff envisions a one of a kind super entertainment facility that will make our community proud and enhance the already great reputation of our incredible city.”

Nathaniel Kirschner

Braniff LLC, a Houston Texas Limited Liability Company, announced its newest project. The project is called The Jumbo Queen with Club747 inside. Braniff will purchase an out of commission [Boeing 747](#) jet and convert it into a state-of-the-art nightclub and tourist facility.

“We envision a one-of-a-kind super entertainment facility that will make our community proud and enhance the already great reputation of our incredible city,” said Braniff

LLC founding member Nathaniel Kirschner.

This project will be open 365 days a week and cater to the night-time adult community and daytime tourist. The Super Jumbo Jet will be stripped of its interior and it's Rolls Royce engines, then will be placed atop of a Downtown or Galleria area multi-storied parking facility.

Kirschner went on to say, “Houston is booming both downtown and the suburbs. People tell me they are yearning for some new nighttime establishments. Something different, something exciting and unique.”

Kirschner further said, “Every city has a major attraction. We have the Astrodome; St. Louis has the Arch and Dallas has Cowboy Stadium. I don't expect The Jumbo Queen to over-take the Astrodome, but I think we can give the dome a run for its money. Every stage of this project screams excitement!”

Braniff is in the process of choosing a location.

Key features of the entertainment facility include:

- Daily tours of the 747 jet, including sitting in a real cockpit
- Corporate functions
- Birthday party and other party rentals
- Nightly live entertainment
- A full bar serving alcoholic and non-alcoholic beverages
- Nightly bed for impaired drivers.

Braniff would be honored to discuss this project in further detail with any member of the press and we enjoy giving interviews to our valued media. Email contact is jeff@thejumboqueen.com. Visit our website at www.thejumboqueen.com. Follow us on Facebook and Twitter.
